

POLYURETHANE EXPERTS

- Strong tread bond for long life
- Close tolerance cores for precise manufacturing and quality control
- Superior material blends for the highest quality treads

ALBION
the caster experts

Albion offers an expansive range of polyurethane wheels, with various material blends designed to deliver specific features and application benefits (see pages 146-165 for full offering)

Our popular **80A** and **95A** durometer wheels are **designed and proven for industrial use**—many offering a **3 year warranty**

New formulas and tread profiles continue to be developed to **enhance ergonomics (AX, PF, and UA wheels)**

Standard and custom keyway inserts are available

Custom machining and crown facing

Cutter bars, brakes, and sound dampening pads available

Custom colors available (minimums may apply)

Specialty Wheel Development – Albion’s team of engineers has significant experience designing and developing new wheels for specialty applications in virtually any industry. Contact factory with your needs!

Anti-Microbial Additives – Bacterial inhibitors are available in many of our urethane products. If your food, medical, or laboratory application requires additional peace of mind, this is a great wheel solution.

PREVENZ™ ANTIMICROBIAL*

*Please contact factory for ordering information.

VULKOLLAN® WHEELS (VY/VX)

- **Highest quality** polyurethane in the world
- **Superior** in load capacity, reliability, strength, and life
- **Reduce** your downtime and maintenance costs with Vulkollan!

Tear Resistance

| | |
|-----------------------|--|
| Standard Polyurethane | Vulkollan® Polyurethane Is Much Harder to Tear |
|-----------------------|--|

Product Life

| | |
|-----------------------|--|
| Standard Polyurethane | Vulkollan® Polyurethane Last up to 40% Longer! |
|-----------------------|--|
