THE GLOBAL LEADER IN CASTERS AND WHEELS

Engineering

Utilizing the latest in available technologies, our highly experienced global design and engineering teams ensure every detail in performance, materials and aesthetics are delivered to meet customer expectations and safety standards.

Manufacturing

We constantly strive to set standards in caster manufacturing innovation and automation. Colson's caster and wheel manufacturing facilities are located around the world, and Colson leads the industry in USA-made casters and wheels.

Quality

Industry leading test labs and global quality systems confirm our casters meet stringent quality standards, including ANSI ICWM:2012. This allows Colson to offer an industry leading 3-year warranty on all Colson branded products.

Service

Our trusted products are backed by the best support teams in the business. Located throughout the U.S., our teams provide local service nationwide. It's the committed service and support that you can rely on every time.
