

Where Economy MEETS QUALITY

In 2005, Colson responded to your requests for a full-performance caster line with less specialized and less costly attributes by introducing the Encore lineup of products. Encore is a complete series of tested, quality caster products available at economy prices. Today, Encore caster forks, wheels and accessories have more options than ever but remain the smart and cost-effective alternative when your application doesn't require the superior performance and premium attributes of the Colson branded product line. All Encore products are backed with a 1-year warranty. Visit www.colsoncaster.com/warranty for the full warranty explanation.
